What is FIFA? FIFA is the most-played sports videogame franchise in the world and the backbone to our business. The FIFA brand continues to be a key part of our strategy as we grow our FIFA Football business across the world to become the world's leading sports entertainment company. More than one billion people play FIFA around the world, with millions of players and fans every week. There are hundreds of millions of branded micro-transactions and items, fans merchandise and consumer products sold through our FIFA brand every year. FIFA has a rich history of developing the best-selling, most-demanded sports entertainment franchises on the market today. Through this past decade, we have worked closely with the community to continue to innovate our products and bring the fans an experience like no other in any sport. Why FIFA 22? Why FIFA 22? Our mission is to bring the world the biggest and best football video game on the market. We are focused on providing players around the globe with a complete football experience, offering them the best platform for engaging with the game, whether they play FIFA on console or mobile, or on our leading social network, Facebook. We are also committed to providing exciting content throughout the year to help our players continue to grow and improve. We aim to keep you entertained and engaged with frequent content updates and new features. We look forward to seeing you in the game as our journey to FIFA 22 continues. We thank you for your support. The FIFA community. The FIFA community. The FIFA community is among the most passionate and loyal in the industry. There are more than 100 million FIFA accounts on PlayStation®4, PlayStation®3, Xbox One, PC and mobile. From the FIFA Street™ community to FIFA Ultimate Team™, our fans spend many hours improving their favorite player's attributes and unlocking collectibles from around the world. What is the Power Balance Tour? What is the Power Balance Tour? The FIFA community plays a major role in the planning for the Power Balance Tour and our tours are an important celebration of the sports and the communities in which we operate. This year we celebrate the closing of the Power Balance Tour in London, Liverpool, Berlin, Milan and Madrid, before the tour moves on to South America in 2018. The EA SPORTS™ FIFA Powered by Football™ jerseys from the 2017 FIFA World Cup™ are joined by new apparel worn by the likes of Cristiano Ronaldo, K bc9d6d6daa
