The ones i have been using are around 2euro. I have found some more expensive, around 4euro, but this is over the top. Haven't tried the airbrush yet. My original was over the top for painting around my moving head. Plus I was using a tank of compressed air. Think thats the only way, it can be done. The only fail safety tip i would give is to not spray so close to yourself. If you spray yourself no worries, if you spray something else and your glass fails, you could do serious damage to your face. Useful Searches About 3D CartoonsForum.net 3D CartoonsForum.
